*Evergreens*

Dear Customer—

## CHRISTMAS LEGENDS LIVE IN EVERGREENS —

*With holly and ivy so green and so gay,  
We deck up our houses as fresh as the day.  
With bays and rosemary and laurel compleat,  
And everyone now, is a king in conceit.*

How to use colorful, fragrant evergreens  
for friendly holiday decorations

To thrill young  
hearts, decorate  
a fragrant  
wreath with  
tiny toys. Girls  
and boys alike  
will have fun  
galore with  
their own spe-  
cial decoration.  
Remember, also,  
the holiday treats:  
use nuts, fruit,  
candy and sweet-  
meats to accent  
the kiddies'  
evergreens.

*For the loveliest  
gift wrapping, at-  
tach a small spray  
of berried holly to  
the ribbon bow.  
Your packages will  
have a festive  
touch!*

Midnight-blue candles in a long,  
white, stepped-up holder on a white  
mat. Boughs are Douglas fir; turquoise  
and silver balls are placed on swab  
sticks.

"'Tis the season to be jolly" trills  
the Christmas caroling angel. Attach  
a painted paperboard cut-out to any  
container. Fill with moss, add blue-  
berries, holly, cedar, white-tipped  
cones, desert juniper and silver and  
blue bubbles.
